

in nursing, which library shall be physically located so as to be easily accessible to the students.

b. It shall have adequate classrooms, laboratory facilities, and other suitable instructional facilities sufficient to accommodate the student body and to instruct the students.

c. The members of the faculty of the educational unit in nursing shall have general academic and professional qualifications as determined by the board and shall be sufficient in number to effectively administer, teach, and supervise the students at the educational unit. In evaluating the members of the faculty as to qualifications and number, the board shall recognize and take into consideration the limited availability and supply of nurses prepared for teaching positions.

(6) The educational unit in nursing shall keep and maintain an accurate system of records containing up-to-date and complete information regarding the hours spent by each student in instruction and experience, and the progress of each student graded under a suitable system. The form, content, and other requirements with respect to records shall be subject to the approval of the board. The records shall be readily accessible and shall be subject to inspection by the board or its authorized representatives. Any person who shall intentionally falsify any record required to be kept and maintained by this statute and regulations of the board made pursuant to this statute shall be guilty of a misdemeanor and punishable as such.

(7) An educational unit in nursing shall, from time to time and in accordance with regulations adopted by the board, file with the board such records, data, and reports as may be prescribed furnishing information concerning the conduct of the unit and concerning any student or graduate of the unit, as required by the board.

“§ 90-158.122. Periodic Surveys of Accredited Educational Units. (a) A survey of each accredited educational unit in nursing and of the institution or institutions with which the unit is associated shall be made by the executive director or other representative of the board at such times as may be determined by the board.

(b) A written report of the survey of an educational unit in nursing shall be submitted to the board at a regular or special meeting and a copy of the report shall be sent to the educational unit in nursing.

(c) If the board determines, from the report of the survey and other evidence that the unit is meeting requirements and standards prescribed by this Article and the board for the conduct of an educational unit in nursing, the board shall approve the unit as accredited and shall order the name of the educational unit in nursing to be continued on the accredited list.

(d) If the board determines from the report of the survey and other evidence that the unit is not meeting requirements and standards prescribed by this Article and the board, the board shall take action as specified in 90-158.125.

“§ 90-158.123. Procedure for Accreditation of a New Educational Unit in Nursing; Provisional Accreditation. (a) An institution wishing to establish a unit shall first apply for permission from the board to establish such a unit.
